

CURRICULUM VITAE

1.) Personal data

Name:	Babai, Dániel
Scientific degree:	PhD
Key words:	ethnoecology, ethnobotany, ethnozoology, extensive grassland management
Date and place of birth:	Székesfehérvár, 02 06 1982

2.) Five selected recent publications (from the last five years – 2019–2024)

- 1.) Ulicsni, V., Molnár, Z., Szentirmai, I., & Babai, D. (2024). Poor convergence between local traditional farmers and conservationists on which species to protect locally. *People and Nature*, 6(4), 1421-1434. <https://doi.org/10.1002/pan3.10650> (Q1, IF: 4.2)
- 2.) Molnár, Zs., Fernández-Llamazares, Á., Schunko, C., Teixidor-Toneu, I., Jarić, I., Díaz-Reviriego, I., Ivascu, C., Babai D., Sáfián, L., Karlsen, P., Dai, H. & Hill, R. (2023). Social justice for traditional knowledge holders will help conserve Europe's nature. *Biological Conservation*, 285, 110190. <https://doi.org/10.1016/j.biocon.2023.110190>. (Q1, D1, IF: 5.9)
- 3.) Babai D., Jánó B. & Molnár Zs. (2021). In the trap of interacting indirect and direct drivers: the disintegration of extensive, traditional grassland management in Central and Eastern Europe. *Ecology and Society* 26(4): 6. <https://doi.org/10.5751/ES-12679-260406> (Q1, D1, IF: 4.403)
- 4.) Molnár Zs., & Babai D. (2021). Inviting ecologists to delve deeper into traditional ecological knowledge. *Trends in Ecology & Evolution* 36(8): 679–690. <https://doi.org/10.1016/j.tree.2021.04.006> (Q1, D1, IF: 17.712)
- 5.) Biró M., Molnár Zs., Öllerer K., Lengyel A., Ulicsni V., Szabados K., Kiš, A., Perič, R., Demeter L. & Babai D. (2020). Conservation and herding co-benefit from traditional extensive wetland grazing. *Agriculture, Ecosystems & Environment* 300: 106983. <https://doi.org/10.1016/j.agee.2020.106983> (Q1, D1, IF: 5.567)

3.) Online CV-links:

- <https://m2.mtmt.hu/gui2/?type=authors&mode=browse&sel=authors10017867>
- <https://scholar.google.hu/citations?user=HfDiWL0AAAAJ&hl=hu>

4.) Education, degrees

2001–2008:	University of Pécs, Faculty of Sciences, biology MSc
2005–2011:	University of Pécs, Faculty of Humanities and Social Sciences, ethnography and cultural anthropology MA
2009–2014:	University of Pécs, Biology and Sportbiology PhD (PhD-thesis: Botanical and ethnoecological investigation of mountain vegetation in Ghymes (Eastern Carpathians, Romania))

5.) Awards

2016	dr. Zólyomi Bálintné Barna Piroska Foundation, Memorial Prize (dr. Zólyomi Bálintné Barna Piroska Foundation)
2015–2017	János Bolyai Research Scholarship
2015	Award of Excellence for Junior Research Fellows (Hungarian Academy of Sciences)
2014	Káán Károly Jubilee Medal by: Kaán Károly National Nature and Environmental Knowledge Competition Commission.
2011	'Young for the Civic Hungary' Award by: Foundation for Civic Hungary. Achievement: Work in Hungarian Association for Land and People' (NGO) as vice-president
2009–2012	Junior Research Fellow Scholarship (Hungarian Academy of Sciences)
2009	Pro Scientia Gold Medal (OTDT)
2009	National Scientific Students Conference, Humanities section, Ethnology. Material culture subsection. National first prize, special prize.

6.) Projects

Title of the project: Locality Embedded in the Web of Global Transitions. Ecological Anthropology Mediating between Local Communities and Global Changes in the Carpathian Basin. MTA Momentum Project. **Project ID:** Lendulet_2020-56. **Period:** 2020–2025 (60 months). **Foundation:** Hungarian Academy of Sciences. **Position:** project leader

Title of the project: LICCI - Local Indicators of Climate Change – The Contribution of Local Knowledge to Climate Change Research. ERC-project (<https://licci.eu/>). **Project ID:** ERC Grant No. 771056. **Period:** 2019–2024 (60 months). **Foundation:** ERC. **Position:** participant

Title of the project: Grassland management and traditional ecological knowledge in the Carpathian basin. MTA Premium Postdoctoral Fellowship. **Project ID:** PPD008/2017. **Period:** 2017–2020 (36 months). **Foundation:** Hungarian Academy of Sciences. **Position:** project leader - individual application.

Title of the project: Protected areas at the Hungarian-Slovenian border. Challenges of cooperation and sustainable development. **Project ID:** SNN-126230. **Period:** 2017–2020 (36 months). **Foundation:** NKFIH. **Position:** participant researcher

Title of the project: Effects of extensive grazing on vegetation in non-conventional pasture-lands (marshes and forests). **Project ID:** OTKA-119478. **Period:** 2017–2020 (36 months). **Foundation:** NKFIH. **Position:** participant researcher

Title of the project: Valuing the mountain hay meadows! **Project ID:** ROM/SGP/OP5/CORE/BD/11/10. **Period:** 2012–2013 (18 months). **Foundation:** UNDP GEF-SGP, Barbara Knowles Fund, EFNCP (European Forum on Nature Conservation and Pastoralism), Misgurnus Association. **Partners:** MTA Centre for Ecology, EU CAN (European Conservation Action Network). **Position:** researcher and research-camp organiser (participant)

Title of the project: Mountain hayfields - hot spots of biodiversity and traditional culture. **Project ID:** ROM/SGP/OP4/Y3/CORE/09/02. **Period:** 2009–2011 (18 months). **Foundation:** UNDP GEF-SGP, Barbara Knowles Fund, EFNCP (European Forum on Nature Conservation and Pastoralism). **Position:** participant researcher

7.) Publications

Books

Molnár Zs., Kiš, A., Demeter L., Szabados K., Molnár Á. P., Marinkov, J., Ulicsni V., Biró M., Öllerer K., Katona K., Máté G., Kemenes A., Đapić, M., Juhász E.M., Perić, R. & Babai D. (2023): Disznók az erdőben. Hagyományos ökológiai tudás a Száva árterén (Pigs in the Forest and Marsh. Traditional ecological knowledge of svinjars / Svinje u šumi i bari. Tradicionalno ekološko znanje svinjara Bosutskih šuma). HUN-REN Ökológiai Kutatóközpont Ökológiai és Botanikai Intézet, Vácrátót és Vajdasági Tartományi Természetvédelmi Intézet, Vácrátót – Újvidék, 197 pp.

Babai D., Molnár Á. & Molnár Zs. (2014): „Ahogy gondozza, úgy veszi hasznát” Hagyományos ökológiai tudás és gazdálkodás Gyimesben. MTA BTK Néprajztudományi Intézet és MTA Ökológiai Kutatóközpont Botanikai és Ökológiai Intézet, Budapest-Vácrátót, 174 pp.

Peer-reviewed papers

Molnár, Zs., Demeter, L., Szabados, K., Kiš, A., Ajvazović, M., Runjanin, B., Mandušić, V., Biró, M., Öllerer, K., Marinkov, J., Ulicsni, V., Babai, D. & Katona, K. (2024). Benefits and challenges of reviewing across knowledge systems: ‘Gourmet omnivore’ pigs foraging in the wild. *People and Nature*, 6(6), 2182-2199. <https://doi.org/10.1002/pan3.10717> (Q1, IF: 4.2)

Biró, M., Molnár, K., Öllerer, K., Szilágyi, R., Babai, D., Molnár, C., & Molnár, Z. (2024). Oral history methods can reveal drivers of landscape transformation: Understanding land-use legacies with local and traditional knowledge in Central Europe. *People and Nature*, 6(6), 2463-2479. <https://doi.org/10.1002/pan3.10738> (Q1, IF: 4.2)

Ulicsni, V., Molnár, Z., Szentirmai, I., & Babai, D. (2024). Poor convergence between local traditional farmers and conservationists on which species to protect locally. *People and Nature*, 6(4), 1421-1434. <https://doi.org/10.1002/pan3.10650> (Q1, IF: 4.2)

Reyes-García, V., García-del-Amo, D., Álvarez-Fernández, S., Benyei, P., Calvet-Mir, L., Junqueira, A. B., Labeyrie, V., Li, X., Miñarro, S., Porcher, V., Porcuna-Ferrer, A., Schlingmann, A., Schunko, C., Soleymani, R., Tofighi-Niaki, A., Abazeri, M., Attoh, E.M.N.A.N., Ayanlade, A., Da Cunha Ávila, J.V., Babai, D., Bulamah, R.C., Campos-Silva, J., Carmona, R., Caviedes, J., Chakauya, R., Champon, M., Chen, Z., Chengula, F., Conde, E., Cuní-Sánchez, A., Demichelis, C., Dudina, E., Fernández-Llamazares, Á., Galappaththi, E.K., Geffner-Fuenmayor, C., Gerkey, D., Glauser, M., Hirsch, E., Huanca, T., Ibarra, J.T., Izquierdo, A. 8.) Conferences (selection)

Babai D., Jánó B., Molnár Zs. (2024): Necessity of cooperation – the evolution of a research project in a Central European social-ecological system. International Society of Ethnobiology 18th Congress, Biodiversity & Cultural Landscapes: Decolonial, Indigenous and Local Perspectives. Marrakesh, Morocco – 15-19 05 2024.

Babai D., Jánó B. & Molnár Zs.: In the trap of interacting drivers: the disintegration of extensive, traditional grassland management in Central and Eastern Europe. 6th European Congress of Conservation Biology - "Biodiversity crisis in a changing world", Prague 22–27 August 2022.

Babai D. & Molnár Zs.: Time of haymaking – a socio-ecological system in operation. European Society for Environmental History (ESEH) 2022 University of Bristol, Bristol, England, 4–8 July 2022.

Babai D.: Local perceptions of environmental-biological changes driven by climate change. Out of Many, One People: Biocultural Diversity across Borders. SEB-ISE Joint Hybrid Meeting, University of West Indies, Jamaica, Kingston. 29 May – 2 June 2022.

Babai D., Jánó B. & Molnár Zs.: A hajtóerők csapdájában – a külterjes, hagyományos gyepgazdálkodás nehézségei Közép- és Kelet-Európában (In the trap of drivers – difficulties of extensive, traditional grassland management in Central and Eastern Europe). 22. Kolozsvári Biológus Napok, Babeş-Bolyai University 8–9 April 2022. (invited plenary presentation)

Babai D., Jánó B. & Molnár Zs.: Complex set of drivers exacerbated by climate change – disintegration of traditional grassland management systems in Central Europe. SIEF 15th congress, Breaking the rules? Power, participation, transgression. Helsinki, 19-24 June 2021.

Babai D. (2019): Traditional ecological knowledge and nature conservation - conflicts, cooperation, and a need for knowledge co-production in the Carpathian Basin (Central Europe). SIEF2019: Track Changes: Reflecting on a Transforming World, Santiago de Compostela, Spain, 14–17 April 2019.

Babai D. & Molnár Zs.: Indicators Used by Indigenous Peoples and Local Communities to Monitor Trends of Nature. International Society of Ethnobiology, Belém, Brazil, 7-10. August 2018.

Babai D. & Jánó B.: Biocultural indicators of local farmers in a Central European cultural landscape. Action Group on Knowledge Systems and Indicators of Wellbeing. American Museum of Natural History in New York City, USA on 21–22 April 2018. (poster)

Molnár Zs., Babai D., Kelemen A., Varga A. & Biró M.: Vegetation scientists', conservationists', herders' and cattle's views on vegetation: is there an added value of looking vegetation through different glasses? Seventh Meeting of PhD

students in Plant Ecology and Botany, MTA Centre for Ecological Research, Tihany, Hungary, 21-23 October 2016.
(invited, plenary presentation)

Molnár Zs., Babai D., Varga A. & Biró M.: Do conservation and agri-environmental regulations effectively support traditional small-scale farming in East-Central European cultural landscapes? Biodiversity conservation on farmlands at crossroads conference, Pulawy, Poland, 29-30 September 2016. (invited, plenary presentation)

Babai D.: The role of traditional ecological knowledge in nature conservation. 13th Eurasian Grassland Conference. Management and conservation of semi natural grasslands: from theory to practice. Sighișoara, Romania 20-24 September 2016.

Babai D. & Molnár Zs.: Traditional grassland management in the Eastern Carpathians (Romania). Natura 2000 Biogeographical Process, Alpine grassland management workshop Laufen, Germany, 9-11 December 2015.

Babai D. & Molnár Zs.: Traditional, extensive grassland management in the Eastern Carpathians. 36th meeting of the Eastern Alpine and Dinaric Society for Vegetation Ecology. Osijek, Croatia, 17–20 June 2015. (invited, plenary presentation)

Babai D.: Ethnoecological adventures in Eastern Carpathians. VII. Etnoökológiai Szeminárium (vendég Fikret Berkes), MTA ÖK, Vácrátót, 2015. május 27.

Babai D., Tóth K., Valkó O., Török P., Albert Á., Kelemen A., Deák B., Miglécz T. & Molnár Zs.: Use of hayseed on species-rich hay-meadows in a Csángó community in Gyimes (Eastern Carpathians, Romania). 1st European Conference for the Implementation of the UNESCO-SCBD (Joint Programme on Biological and Cultural Diversity). Linking Biological and Cultural Diversity in Europe. Florence, Italy, 8–11 April 2014.
